For further information on specific walks in on the Step out Sheffield programme you are invited to phone our Helpline 075 0563 9524. For photos of the start point and lots more information about each walk visit our website : www.stepoutsheffield.co.uk.

Whilst Step Out Sheffield hope to provide a constant and reliable service, the safety of our volunteers and walkers is paramount and we reserve the right to cancel walks in bad weather. If the Met Office issues a red or an amber weather warning in our area all walks WILL be cancelled. If a yellow weather warning is issued the volunteer walk leaders may cancel the walk if they feel that walker safety may be compromised.

Our volunteers are unable to provide one to one support. Vulnerable adults and children must always be accompanied by a responsible adult, and, for insurance purposes, this person must also be registered to walk.
